

La chasse aux syllabes

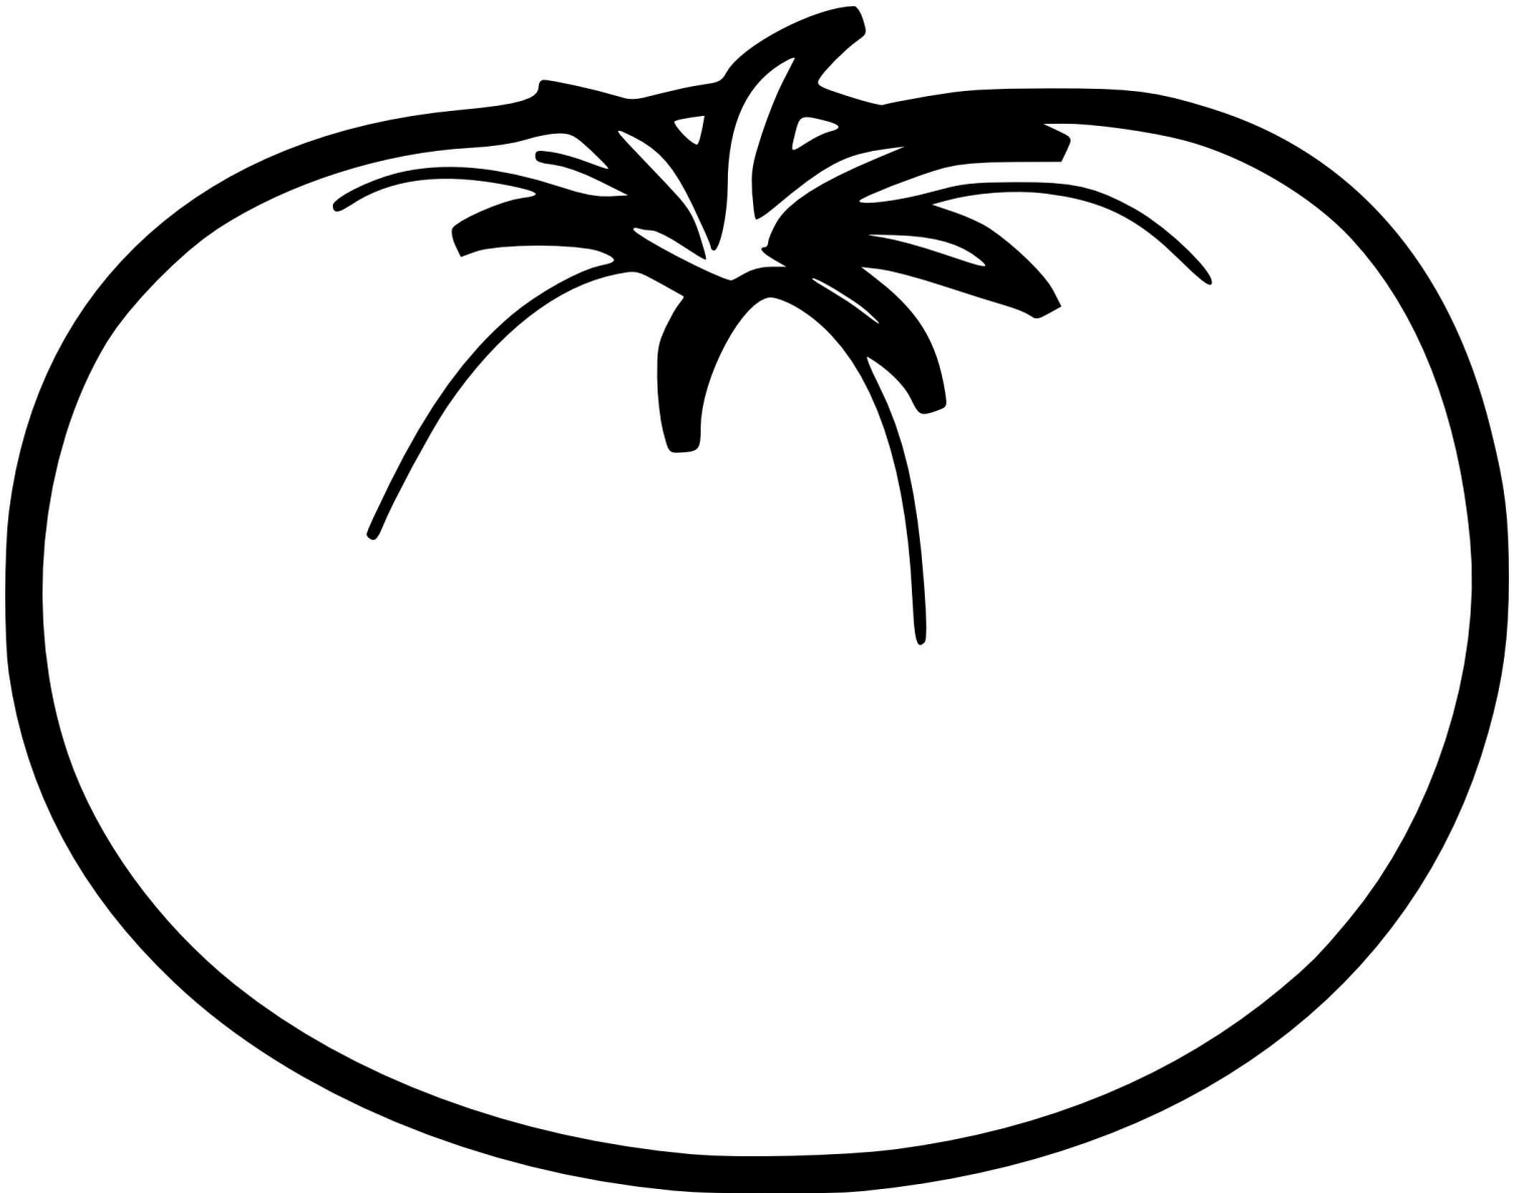

Le but est de **repérer une syllabe donnée dans un mot**

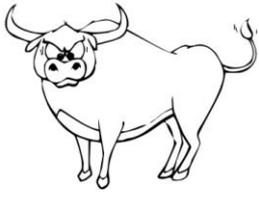

Le jeu de la tomate

Il faut rechercher la syllabe **TO** dans les mots

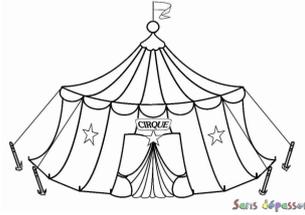

Votre enfant frappe les syllabes d'un mot image et le place sur la tomate s'il entend la syllabe TO, sinon il le met à côté.

(Vous pouvez tout imprimer ou simplement dessiner une tomate et montrer les mots images...votre enfant dit alors si oui ou non il entend la syllabe TO.)
